ER LEBT, ER LEBT  
Он жив! Он жив!

D B m E m A

The wick-ed hands of sin - ners had nailed Him to the tree;  
 His bo - dy then was tak - en by Jo - seph from the cross,  
 At dawn there came with Ma - ry some wo - men to the tomb,  
 As Ma - ry stands be - wil - dered, still griev - ing in her heart,

E m A 7 D

Our guilt and our trans-gres-sions had caused His ag - o - ny.  
 In his own tomb he laid it, not count-ing it a loss;  
 An an - gel stood be - side them and scat-tered all their gloom:  
 She sees her ris - en Sav - ior and can't con-tain her start!

D A

The sweat, like blood, was flow-ing from His dis-fig-ured brow;  
 But sud - den - ly the sun shone and dark-ness took its flight,  
 "Go quick-ly, tell the oth-ers, that He is ris'n from t'dead!"  
 She shouts in ex - ul - ta-tion" My Mas-ter and my Lord!"

G D/A A 7 D

His task was done— Oh, praise Him now.  
 The Lord had said: "Let there be light!"  
 And death for - ev - er lost its dread.  
 And quick - ly runs to spread the word.
